1.

LIAISON After learning that

25X1A

was employed by a private ferrying company under contract to Air America and that Air America could provide information concerning his disappearance, I again called Mr. Dee Woodberry, in the Lakeland, Florida district office of Senator Lawton Chiles (D., Fla.), and relayed this information to him, assuring him that I was not aware of it when we spoke yesterday. He said he would very much appreciate receiving any additional details that Air America could provide and I told him I would see to it that such a letter was sent. Mr. Jack Blake, DDA, has been advised.

2.

LIAISON I called on Marian A. Czarnecki,

25X1A

Chief of Staff for the House Committee on International Relations, and discussed the background of charge that CIA, in conjunction with DIA and State Department, was planning an invasion of Venezuela. I told him that while
